"The best book I've ever read"

"Now anyone that knows me knows I 'don't do reading'. I read this book in little over a week - I couldn't put it down. Even when I wasn't reading it I was thinking about it. It's inspired, motivated, and healed me. It is also emotionally moving and I highly recommend you to read it if you want to see your life in a new light. Christine you are an incredible woman! Grab a copy."

BEST SELLING AUTHOR CHRISTINE CLAYFIELD

CHILD AND DOMESTIC ABUSE SURVIVOR

Author Christine wrote *No Fourth River*, a novel based on a true story, her own life. It is a harrowing read covering unimaginable abuse and cruelty at the hands of a tyrannical father, boarding school nuns and a violent husband who put Christine into a coma.

This is a powerful tale of human triumph and strength as Christine turns her broken life around and starts again from scratch. She rises up and becomes a self-made millionaire through sheer determination, guts and hard work, running multiple businesses despite a range of health problems and anxieties left over from her childhood.

Reviewers have been quick to praise Christine Clayfield for her profoundly healing story. The book has been given credit by its readers for encouraging them to embark on their own empowering journeys.

"My mission is to inspire those who are victims of domestic violence and to show them that there is a light at the end of the tunnel".
